## WAR OFFICE, 10th June, 1815.

## TO OFFICERS OF THE LAND FORCES.

His Royal Highness the Prince Regent, in the name and on the behalf of His Majesty, having taken into consideration the great convenience that would result to Officers on the Half-Pay, or on the Retired List, and to General Officers, entitled to the pay of their army rank, if they were allowed to receive their Pay or Half-Pay from the establishment of that country in which they shall actually reside, without regard to the establishment upon which the Pay or Half-Pay was originally allowed, has been pleased to direct, that in future all such Officers shall, from the 25th December, 1814, inclusive, or from such subsequent date to which their Pay or Half-Pay shall have been issued, receive payment of the same in the country in which they shall reside; and that the following Rules be observed in this respect:

Any Officer residing in Great Britain, whose Pay or Half-Pay is now issued in Ireland, should notify his Place of Residence to the War Office in Dublin, in order that an official communication may be made from thence, for the transfer of the payment of his Pay or Half-Pay in Great Britain.

In like manner, any Officer residing in Ireland, whose Pay or Half-Pay is now issued in Great Britain, should make a similar report to the War Office in London, when instructions will be given for the payment of his Pay or Half-Pay in Ireland.

If any Officer should afterwards be desirous of changing his place of residence, he is to give Two Months previous notice of his intention to the War Office of the Country in which he shall then be resident.

## WAR OFFICE, 10th June, 1815.

## TO OFFICERS OF THE LAND FORCES.

HIS Royal Highness the Prince Regent, in the name and on the behalf of His Majesty, having taken into consideration the great convenience that would result to Officers on the Half-Pay, or on the Retired List, and to General Officers, entitled to the pay of their army rank, if they were allowed to receive their Pay or Half-Pay from the establishment of that country in which they shall *actually reside*, without regard to the establishment upon which the Pay or Half-Pay was originally allowed, has been pleased to direct, that in future all such Officers shall, from the 26th December, 1814, inclusive, or from such subsequent date to which their Pay or Half-Pay shall have been issued, receive payment of the same in the country in which they shall *reside*; and that the following Rules be observed in this respect:

Any Officer *residing in Great Britain*, whose Pay or Half-Pay is now issued in *Ireland*, should notify his Place of Residence to the War Office in *Dublin*, in order that an official communication may be made from thence, for the transfer of the payment of his Pay or Half-Pay in *Great Britain*.

In like manner, any Officer *residing in Ireland*, whose Pay or Half-Pay is now issued in *Great Britain*, should make a similar report to the War Office in *London*, when instructions will be given for the payment of his Pay or Half-Pay in *Ireland*.

If any Officer should afterwards be desirous of changing his place of residence, he is to give Two Months previous notice of his intention to the War Office of the *Country in which he shall then be resident*.

CIRCULAR. No. 286.

WAR-OFFICE, 19th July, 1815.

SIR,

HAVING taken into consideration the representations made to my Department as to the difficulty experienced in obtaining Cash, or Bank of England Notes, for Bills drawn by Paymasters of Recruiting Districts, on the General Agent for the Recruiting Service, in consequence of which it has in some instances been necessary to apply to Country Bankers, for local Notes, I am to acquaint you that, with a view to remedy the inconvenience, it is thought expedient in situations where the difficulty above stated exists, that remittances should be made immediately in Bank Notes, to the Superintending Officers by the General Agent, upon the requisitions of the Paymasters, approved of course by the Inspecting Field Officers, and in order properly to carry into effect this arrangement, the District Paymasters are to make requisitions Monthly, for the Sums necessary to be remitted to the Superintending Officer, for the ordinary Services of the Month, a List of the Individual Officers and their respective Stations, being attached to the Monthly Estimate for the use of the General Agent. In cases where further Sums may be required, in the course of the Month, the District Paymasters are to make application in writing with the requisite approval of the Inspecting Field Officer to the General Agent, as they may be wanted.

I am further to apprise you, that the General Agent will be required to attend to the requisitions for Bank Notes, with the greatest punctuality, and desired to transmit uniformly the first halves of Notes for the Sums specified in the Monthly Estimates on the 23th, and those for the Sums written for intermediately, within one day at the latest, after the receipt of the Paymaster's application, forwarding the second halves by the Post of the day on which the acknowledgment of the respective Officers of the receipt of the first halves shall arrive; and for the greater convenience of the Service, the General Agent will also be directed to send the Notes, all of One Pound, unless where larger Notes shall be specially desired.

You will communicate this arrangement to the Paymaster of the District under your inspection for his information and guidance, and likewise notify to the several Superintending Officers in the District, that from the 23th instant, the Public is in no case to be considered liable to make good any losses sustained by them, or District Paymasters respectively, from the failure of Country Bankers.

I have, &amp;c.

PALMERSTON.

Inspecting Field Officer  
of the Recruiting District.
